DEFINITIONS

The following words when used in this Master Declaration or any Supplemental Declaration (unless the context shall prohibit) shall have the following meanings:

a. "Additional Property" shall mean and refer to those real properties, together with any improvements thereon, other than the Phase One Property, which are made subject to this Master Declaration under the provisions of Article II hereof.

b. "Association" shall mean and refer to Fletcher's Mill Association, Inc., a Florida corporation not for profit, or its successors and assigns.

"Common Expenses" shall mean and refer to the actual and estimated expenses of operating the Association and meeting the costs incurred or to be incurred relative to the performance of the duties of the Association, including without limitation, the costs incurred for operation, maintenance and improvement of any Common Property, and including any reserves established by the Association, all as may be found to be necessary and appropriate by the Board of Directors of the Association pursuant to this Master Declaration, the By-Laws, and the Articles of Incorporation of the Association.

d. "Common Property" shall mean and refer to all real property and any improvements located thereon, and all personal property, from time to time intended to be devoted to the use and enjoyment of all Members of the Association and maintained by the Association at Common Expense. "Common Property" includes, without limitation, any platted parcel which is part of The Properties and which is designated on the plat for ownership and maintenance by the Association.

e. "The Declarant" shall mean and refer to George E. Fletcher, and his successors and assigns. No successor or assignee of the Declarant shall have any rights or obligations of the Declarant hereunder unless such rights and obligations are specifically set forth in the instrument of succession or assignment, or unless such rights pass by operation of law.

f. "Development Plan" shall mean and refer to the **NON-BINDING, GENERAL SCHEME OF INTENDED USES OF THE LANDS** included in Fletcher's Mill Master Development Plan, as approved by the Board of County Commissioners of Alachua County, as amended from time to time, and further described in Section 4, Article II of this Master Declaration and illustrated by Exhibit "B".

g. "Member" shall mean and refer to each Owner who is a Member of the Association as provided in Article III, Section 2 hereof, and also, as to each Neighborhood Association, to each Owner which may also be a member of said Neighborhood Association created pursuant to the terms of any Supplemental Declaration.

h. "Owner" shall mean and refer to the record holder, whether one or more persons or entities, of fee simple title to each Parcel included in The Properties (other than the Association); but, notwithstanding any applicable theory of law of mortgages, Owner shall not mean or refer to any mortgagee unless and until such mortgagee has acquired title pursuant to foreclosure proceeding or a conveyance in lieu of foreclosure. Every Owner shall be treated for all purposes as a single Owner for each Parcel owned by it, irrespective of whether such ownership is joint, in common or tenancy by the entirety. In the event any life estate is created with respect to any Parcel in The Properties, the Owner of the life estate shall be deemed to be the Owner for purposes of this definition for so long as the life estate shall exist.

i. "Parcel" shall mean and refer to each Residential Unit from time to time subject to the terms of this Master Declaration.

j. "Party Wall" shall mean and refer to the entire wall, from front to rear, all or a portion of which is used for support, situate or intended to be situate on the boundary line between adjoining, separately-owned improvements.

m. "Residential Unit" shall include in its meaning any interest in real property appurtenant to the ownership of the Residential Unit.

n. "Supplemental Declaration" shall mean and refer to any declaration of covenants and restrictions executed by the Declarant, and by the owner of the affected lands if same are not owned by Declarant, which extends the provisions of this Master Declaration to Additional Property.

o. "Neighborhood" shall mean and refer to each separate residential area comprised of distinct types and/or densities of Residential Units, and specifically designated by this Master Declaration or any Supplemental Declaration as having separate Neighborhood status. In the absence of a specific designation of separate Neighborhood status, all property made subject to this Master Declaration shall be considered as part of the same Neighborhood. The Declarant may designate in any Supplemental Declaration annexing property that such property constitutes a separate Neighborhood or Neighborhoods or that it is being added to a then-existing Neighborhood.

p. "Neighborhood Assessments" shall mean and refer to assessments from time to time levied by the Association or any Neighborhood Association for Neighborhood Common Expenses when authorized by this Master Declaration, any Supplemental Declaration, or by the Board of Directors of the Association or of any Neighborhood Association. Neighborhood Assessments may be levied only against the Owners of Parcels in the Neighborhood for which the particular Neighborhood Common Expense is to be incurred. Neighborhood Assessments shall be levied uniformly, except as set forth below, in the affected Neighborhood according to each type of Residential Unit. The size of a unit may be considered a reasonable basis to discriminate between assessments levied on various units within a neighborhood.

q. "Neighborhood Association" shall mean and refer to any association or similar entity of limited jurisdiction established pursuant to Section 3 of Article V of this Master Declaration in connection with the development of any Neighborhood for the purpose of owning, operating or maintaining Neighborhood Common Property or attending to affairs and levying assessments unique to such Neighborhood and the Residential Units located therein. Said Neighborhood Associations shall each maintain the Neighborhood Common Property to the same standards as Association Common Property.

r. "Neighborhood Board of Directors" shall mean and refer to a Board of Directors initially appointed by the Declarant and thereafter by the unit owners of a Neighborhood and given such duties and powers within a specified Neighborhood as shall be imposed and conferred upon it by any

Supplemental Declaration, including without limitation the duty to levy the Neighborhood Assessments to be paid by the Owners in the affected Neighborhood for Neighborhood Common Expense. The composition of the Neighborhood Board of Directors and manner and terms of appointment shall be as specified in the relevant Supplemental Declaration. Each Neighborhood Board of Directors shall at all times be subject to the paramount authority of the Association Board of Directors, but this provision shall not be construed to give said Association the right or duty in any Neighborhood which is a condominium the responsibility for operation of a condominium project.

s. "Neighborhood Common Expense" shall mean and refer to costs incurred by the Association or any Neighborhood Association for services rendered or expenses incurred which are not of general benefit but rather primarily for the benefit of and intended to be borne by the Owners of Parcels within a particular Neighborhood. Expenses incurred for the operation, maintenance and improvement of Neighborhood Common Property shall be Neighborhood Common Expenses and reimbursed to the relevant association through Neighborhood Assessments.

t. "Neighborhood Common Property" shall mean and refer to those lands and any improvements thereon which may be designated as Neighborhood Common Property on the recorded plat of any Additional Property or in any Supplemental Declaration, which said lands or facilities are intended to be devoted exclusively to the use and enjoyment of the Owners of parcels located within a particular Neighborhood. The costs of operation, maintenance and improvements of Neighborhood Common Property shall be borne solely by the Owners entitled to the use and enjoyment thereof. Neighborhood Common Property may be conveyed by the Declarant to the Association or to any Neighborhood Association for the purpose of operation, management, maintenance and improvement.

ARTICLE II

PROPERTY SUBJECT TO THIS MASTER DECLARATION AND ADDITIONAL PROPERTY

Section 1. Property Subject to Master Declaration. The Phase One Property is and shall be held, transferred and occupied subject to this Master Declaration.

Section 2. Additional Property. The Declarant (joined by the owner of the lands if other than the Declarant) shall have the sole right but not the obligation to bring within the scheme of this Master Declaration, as Additional Property, additional properties within the Development Plan and additional properties adjacent to the properties in the Development Plan at any time within twenty (20) years from the date this Master Declaration has been recorded, which annexation may be accomplished without the consent of the Association, its Members, the Owners or occupants of The Properties, any mortgage or lienholder, or anyone else. Annexation of Additional Property shall require HUD/VA prior approval as long as a Class "B" membership remains outstanding for the annexation of Additional Property.

Section 3. Method of Annexation. The additions authorized under this Article shall be made by filing of record a Supplemental Declaration with respect to the Additional Property which shall extend the scheme of the covenants and restrictions of this Master Declaration to such Additional Property. The Supplemental Declaration shall describe the real property to be annexed and shall state that it is being made pursuant to the terms of this Master Declaration for the purpose of annexing property to the scheme of this Master Declaration and extending the jurisdiction of the Association to the Additional Property. The Supplemental Declaration may contain such terms and provisions not inconsistent with this Master Declaration as may be desirable to reflect the different character, if any, of the real property being annexed or the various housing or community style characteristics and development approaches being implemented, all of which may be significantly at variance with that of the Phase One Property.

Owners, upon recordation of any Supplemental Declaration, shall also have a right and non-exclusive easement of use and enjoyment in and to the Common Property within the real property so annexed and an obligation to contribute to the operation and maintenance of such Common Property within the annexed lands.

Any Supplemental Declaration recorded in accordance with the terms hereof shall be conclusive in favor of all persons who rely thereon in good faith. From and after recordation of any Supplemental Declaration, the Additional Property described therein shall be subject to the provisions of this Master Declaration and to the jurisdiction of the Association.

As to any Additional Property brought within the scheme of this Master Declaration, the Owner or the Declarant may also subject such property to a declaration of condominium or other covenants and restrictions not inconsistent with this Master Declaration, and may create a separate Neighborhood Association for the purpose of owning, operating, governing, maintaining or improving Neighborhood Common Property within the Additional Property and performing the functions and fulfilling the obligations of a Neighborhood Association. In the event a Neighborhood Association is created with respect to any Additional Property, the Owners in the Additional Property affected by the Supplemental Declaration shall be Members of both the Association and the Neighborhood Association.

Section 4. Non-Binding General Plan of Development.

a. **Purpose.** The Development Plan, illustrated by Exhibit "B" attached hereto, is the dynamic design for the development of Fletcher's Mill mixed use planned development which may be modified and amended by the Declarant during the years required to develop the community. The Development Plan shall not bind the Declarant to make the additions to the Properties which are shown on the Development Plan or to improve any portion of such real estate in accordance therewith. Nothing herein shall be interpreted as requiring annexation of any of said lands or, if annexed, that they be annexed in any particular sequence or configuration or that they be annexed in whole tracts. Nothing in this Master Declaration or in any Supplemental Declaration shall be construed to affect or encumber any portion of the lands in the Development Plan prior to annexation. No Owner, occupant or association shall have any rights to or jurisdiction over the said lands and improvements except as may be specifically granted by the Declarant. It is the intention that the Property remain a passive dominus P.U.D.

b. **Amendments.** The Declarant or owner(s) of the un-annexed property, hereby reserves the right to amend the Development Plan in response to changes in technological, economic, environmental, social or other conditions affecting the development or marketing of The Properties and in response to changes in the requirement of government agencies or financial institutions.

c. **Interpretation.** Nothing contained in this Master Declaration, any Supplemental Declaration or the Development Plan shall be interpreted to:

- (i) Require the Declarant or any other person or entity to annex any real property (other than the Phase One Property) to the scheme of this Master Declaration; or
- (ii) Prevent any property not theretofore annexed from being subjected to another, independent declaration or scheme of development, even though such property may be encompassed by the Development Plan.

The community contemplated by this Master Declaration, including parcels of land subject to potential annexation, includes a variety of development types and values.

Section 5. Merger or Consolidation. Upon a merger or consolidation of the Association or any Neighborhood Association with another association, the properties, rights and obligations of each may, by operation of law, be transferred to the surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association or Neighborhood Association as a surviving corporation pursuant to a merger or consolidation. The surviving or consolidated association may administer the covenants and restrictions established by this Master Declaration and any Supplemental Declaration within The Properties, together with the covenants and restrictions established upon any other properties, as one scheme. No such merger or consolidation, however, shall effect any revocation, change or addition to the covenants established by this Master Declaration or any Supplemental Declaration within The Properties. A merger or consolidation shall require the assent of a majority of the Members other than Class B Members who are voting in person or by proxy at a meeting duly called for this purpose, and the assent of the Class B Member, if any.

Section 6. Declarant Consent to Amendment of Articles. This Article II may not be amended without the written consent of the Declarant, and the owner(s) of the lands being submitted as Additional Property if other than the Declarant.

ARTICLE III

STRUCTURE, POWERS AND DUTIES OF, AND MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Association. The Association shall be a nonprofit corporation charged with the duties and vested with the powers prescribed by law and set forth in the Articles of Incorporation, the Bylaws and this Master Declaration. Copies of the Association Articles of Incorporation and Bylaws are attached hereto as Exhibits "C" and "D", respectively. Neither the Articles of Incorporation nor the Bylaws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Master Declaration. In the event of any such inconsistency, the provisions of this Master Declaration shall prevail. The officers and directors of the Association shall be required to be either (1) Members of the Association, or (2) agents, representatives or employees of the Declarant. A Board of Directors of the Association, and such officers as the Board may elect or appoint, shall conduct the affairs of the Association in accordance with this Master Declaration, the Articles of Incorporation and the Bylaws.

Section 2. Membership. The Declarant and each Owner shall be Members of the Association.

The Association membership of each Owner shall be appurtenant to the Parcel giving rise to such membership, and shall not be transferred except upon the transfer of title to said Parcel and then only to the transferee of title thereto. Any prohibited separate transfer shall be void. Any transfer of title to a Parcel shall operate automatically to transfer the membership in the Association appurtenant thereto to the new Owner thereof.

Section 3. Voting Rights. The Association Shall have two (2) classes of voting membership:

a. **Class "A".** Class "A" Members shall be all Owners of Residential Units, with the exception of the Declarant. Class "A" Members shall be entitled on all issues to one (1) vote for each Residential Unit in which they hold the interest required for membership.

b. **Class "B".** The Class "B" Members shall be the Declarant and any successor of the Declarant who takes title to and to whom Declarant assigns in writing one or more of the Class "B" votes.

Upon the execution of this Master Declaration, the Class "B" Members shall be entitled to 3 votes for each Residential Unit owned by a Class "B" Member, or an aggregate of 168 votes based upon 56 permitted Residential Units in the Phase One Property. Thereafter, the number of Class "B" votes shall be reduced by one (1) vote for each Class "A" vote from time to time existing in the Association. No parcel shall be entitled to votes until such time as it is annexed by Supplemental Declaration; and at such time it shall be entitled to Class "B" votes in the same manner as provided herein. The Class "B" membership shall terminate and become converted to Class "A" membership upon the happening of the earlier of the following:

(i) When the total outstanding Class "A" votes in the Association equal the total outstanding Class "B" votes; or

(ii) Four (4) years from the date of recording this Master Declaration, or four (4) years from the date of the last annexation of property, whichever shall occur last.

(iii) When, in its discretion, the Declarant so determines.

From and after the happening of any one of these events, the Declarant shall call a meeting as provided in the Bylaws for special meetings to advise the Association membership of the termination of Class "B" status.

The Class "B" Members shall cast on all issues their votes as they among themselves determine. It shall be permitted for the Declarant to retain and to cast all Class "B" votes.

Section 4. The Declarant Veto Power.

From and after the termination of the Class "B" membership the Declarant shall have a veto power over all actions of the Association and the Board of Directors of the Association. This power shall expire when the Class "A", other than those held by the Declarant, equals ninety percent (90%) of the total membership vote (regardless of class distinction) of the Association, or four (4) years after submission of the last Property subject to this Declaration, whichever occurs first.

No action authorized by the Association or the Board of Directors shall become effective, nor shall any action, policy or program be implemented, until and unless:

a. The Declarant shall have been given written notice of each meeting of the Members and of the Board of Directors by certified mail, return receipt requested or by personal delivery, at the address it has registered from time to time with the Secretary of the Association, which notice otherwise complies with the terms of the Bylaws as to regular and special meetings of the Members and Board of Directors, and which notice shall set forth with reasonable particularity the agenda to be followed at said meeting; and

b. The Declarant shall have been given the opportunity at each such meeting, if Declarant so desires, to join in, or to have its representatives or agents join in, discussion of any prospective action, policy, or program to be implemented by the Board or the Association. The Declarant and its representatives or agents may make its concerns and suggestions known to the Members of the Association or of the Board. At such meeting the Declarant shall have, and is hereby granted, a veto power over any such action, policy or program authorized by the Board of Directors, the Association officers, or Association membership, and to be taken by said Board, the officers or agents of the Association, or any individual Member of the Association (if Association or Board approval is necessary for said Member's action). Except as set forth in subsection (c) below, the Declarant veto must be exercised by the Declarant, its representatives, or agents at or before the meeting to consider proposed action. The

veto power shall not include the authority to require any affirmative action on behalf of the Board or the Association; and

c. If any action, policy or program is to be implemented by prior consent without the formality of a meeting, then the Declarant shall be provided a written notice and description of the proposed action, policy or program at least ten (10) days in advance of such implementation, and the Declarant shall have ten (10) day after receipt of such notice to exercise its veto.

Section 5. Multiple Owners. Each vote in the Association must be cast as a single vote, and fractional votes shall not be allowed. In the event that joint or multiple Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Owner or Owners cast a vote on behalf of a particular Parcel, it shall thereafter be conclusively presumed for all purposes that he/she was, or they were, acting with the authority and consent of all other Owners thereof. In the event more than the appropriate number of votes are cast for a particular Parcel, none of said votes shall be counted and said votes shall be deemed void.

Section 6. Duties, Powers and Authority of the Association. The Association shall have all the powers of a non-profit corporation organized under the laws of the State of Florida, subject only to such limitations upon the exercise of such powers as are expressly set forth in the Articles of Incorporation, the Bylaws, or this Master Declaration. The Association shall have the power to do any and all lawful things which may be authorized, assigned, required or permitted to be done by this Master Declaration, any Supplemental Declaration, the Articles of Incorporation and the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the maintenance, administration, and improvement of the Common Property.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON PROPERTY

Section 1. Member's Easements of Enjoyment. Subject to the provisions of this Master Declaration, the Association, the Declarant (until the Declarant transfers ownership of the last Residential Unit owned by Declarant) and every Member of the Association shall have a non-exclusive right, license, privilege and easement of use and enjoyment in and to the Common Property and such rights shall be appurtenant to and shall pass with the title to every Parcel in The Properties. Said rights shall include, but not be limited to, the following:

a. Right-of-way for ingress and egress by vehicles or on foot, in, through, over, under and across the streets, roads and walks in the Common Property for all lawful purposes; and

b. Rights and easements of drainage across stormwater drainage and retention structures and areas, and to connect with, maintain and make use of utility lines, wires, pipes, conduits and cable television lines which may from time to time be in or along the streets and roads or other areas of the Common Property; and

c. Rights to use and enjoy the Common Property for any purpose not inconsistent with this Master Declaration, any applicable Supplemental Declaration, the Bylaws and rules and regulations of the Association, or governmental regulations.

Section 2. Title to Common Property. The Declarant may retain the legal title to all or any portion or portions of the Common Property until such time as it has completed improvements thereon and until such time as, in the opinion of the Declarant, the Association is able to maintain the same. The

Declarant may convey or turn over certain items of the Common Property and retain others. The Declarant hereby covenants for itself, its successors and assigns, that it shall convey to the Association all then-existing and completed Common Property located within The Properties no later than at such time as Declarant has conveyed to Owners fee simple title to seventy-five percent (75%) of the gross land area within the Development Plan. Said conveyances shall be free and clear of any mortgage lien. The conveyance of the Common Property to the Association shall be deemed to contain the following covenant which shall run with the land, whether or not specifically set forth in said conveyance, and shall be binding upon the Association, its successors and assigns, for so long as such property shall remain subject to this Master Declaration:

In order to preserve and enhance the property values and amenities of The Properties, the Common Property and all landscaping and drainage and other improvements now or hereafter built or installed thereon shall at all times be maintained in good repair and condition and shall be operated in accordance with high standards. In addition, the Association shall comply with any obligations imposed by the permit(s) issued by the Suwannee River Water Management District and the operation and maintenance plan attached thereto, or by any permit or authorization from any unit of local, regional, state, or federal government with regards to maintaining, repairing, replacing, operating and caring for real and personal property, including but without limitation to all lakes, ditches, canals, retention or detention areas, drainage, other surfacewater management works, and preservation or conservation areas, wetlands, and wetland mitigation areas which are owned by the Association.

Section 3. Extent of Members' Easements. The rights and non-exclusive easements of use and enjoyment created hereby shall be subject to the following:

a. The Association, subject to the rights of the Declarant and the Owners set forth in this Master Declaration, shall be responsible for the exclusive management and control of the Common Property and all improvements thereon.

b. The right of the Declarant without Owner or Association approval prior to conveyance of title to the Association, and the right of the Association thereafter, to grant or dedicate to any Owner, to any governmental agencies and/or to any utility companies, and to reserve, easements and rights-of-way, in, through, under, over and across the Common Property for the installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage, cable television, telephone, electricity, and other utilities, and for the completion of the development. No improvement or material may be placed upon any such an easement as may damage or interfere with the installation, maintenance and operation of utilities or that may change the direction, or affect the flow, of drainage.

c. The easements and rights of the Declarant reserved by this Declaration.

Section 4. Phase of Development in Which Common Property Located Not Controlling As To Use. Designation by the Declarant of property as Common Property (as opposed to Neighborhood Common Property which is intended to be restricted as to user identity) shall result in general Association membership use and enjoyment entitlement regardless of the tract or phase in which the Common Property is located.

Section 5. Easement Reserved to the Declarant Over Common Property. The Declarant hereby reserves to itself and its successors and assigns, such licenses, rights, privileges and easements in, through, over, upon and under all Common Property, including, but not limited to, (1) the right to use the said

properties for rights-of-way and easements to erect, install, maintain, inspect and use electric and telephone poles, wires, cables, conduits, sewers, water mains, pipes, telephone, and electrical equipment, gas, cable television, drainage facilities, ditches or lines, walls, berms, fences, landscaping or other utilities or services and for any other materials or services necessary or convenient for the completion, marketing, and use and enjoyment of The Properties; (2) the right to cut any trees, bushes or shrubbery, make any grading of the soil, or take any other similar action reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health, convenience, safety and appearance; (3) the right to locate thereon wells, pumping stations and irrigation systems and lines; (4) the right and easement of ingress and egress for purposes of development, construction and marketing; and (5) such other rights as may be reasonably necessary to complete in an orderly and economic manner the development of all present and future phases of the Development Plan; provided, however, that said reservation and right shall not be considered an obligation of the Declarant to provide or maintain any such utility, development, or service. The Declarant also reserves the right to connect with and make use of the utility lines, wires, pipes, conduits, cable television, sewers and drainage and other utility lines which may from time to time be in or along the streets and roads, or within the Common Property, easements, or green belts, or to grant such rights to others. Finally, the Declarant reserves the right to use the Common Property in its efforts to market The Properties. The easements and rights-of-way herein reserved shall continue in existence in favor of the Declarant after conveyance of Common Property to the Association until such time as the Declarant has sold or committed to separate scheme of development all lands in the Development Plan. This Section may not be amended without the written consent of the Declarant.

Section 6. Beneficiaries of Easements, Rights and Privileges. The easements, licenses, rights and privileges established, created and granted by this Master Declaration shall be for the benefit of the Association, the Declarant, and the Owners, all as more specifically set forth elsewhere in this Master Declaration, and any Owner or the Declarant may also grant the benefit of such easement, license, right or privilege to tenants and guests for the duration of their tenancies or visits, but the same are not intended nor shall they be construed as creating any rights in or for the benefit of the general public.

Section 7. Easement for Encroachments. In the event that any portion of any roadway, walkway, parking area, driveway, water lines, sewer lines, utility lines, sprinkler system, building or any other structure or improvement as originally constructed encroaches on any Parcel, Common Property or Neighborhood Common Property, it shall be deemed that the Owner of such Parcel or the Association or the Neighborhood Association, as the case may be, has granted a perpetual easement to the Owner of the adjoining Parcel, or the Association, or Neighborhood Association, as the case may be, for the continuing maintenance and use of such encroaching improvement or structure. The foregoing shall also apply to any replacements of any such improvements or structures if same are constructed in substantial conformity with the original structure or improvement.

ARTICLE V

PROPERTY RIGHTS IN THE NEIGHBORHOOD COMMON PROPERTY

Section 1. Title to Neighborhood Common Property. Subject to the terms of this Master Declaration and any Supplemental Declaration and the easements reserved or granted pursuant thereto, the title to any Neighborhood Common Property shall be conveyed to the Association, or to such Neighborhood Association as may be established pursuant to Section 3 of this Article, for the purpose of owning, operating or maintaining the said Neighborhood Common Property. The conveyance of Neighborhood Common Property to the Association or to any Neighborhood Association shall be limited by the same reservation as to retention of title, and the conveyance shall be deemed to contain the same obligation of maintenance, operation and repair, as are reserved and imposed by Section 2 of Article IV of his Master Declaration with respect to the Common Property.

Section 2. Extent of Members' Easements. Each Owner of a Parcel included in any Additional Property designated in any Supplemental Declaration as containing Neighborhood Common Property for the exclusive benefit of the Owners in that Additional Property shall have a right and non-exclusive easement of use and enjoyment in and to the Neighborhood Common Property which right shall be appurtenant to the ownership of such Parcel. Notwithstanding anything to the contrary in this Master Declaration, a person or entity, other than the Declarant and the owning association, who is not an Owner of a Parcel encompassed within a particular Additional Property containing Neighborhood Common Property shall have no property right or rights of use or enjoyment in and to said Neighborhood Common Property, and membership in the Association shall not be construed as vesting in any Member any property or user right in and to the Neighborhood Common Property unless said Member is also the Owner of a Parcel encompassed within the said Additional Property.

Subject to the rights and easements hereinafter described, Owners of Parcels encompassed within any Additional Property containing Neighborhood Common Property shall have such non-exclusive right, license, privilege and easements of use, enjoyment, drainage, ingress and egress, and utilities in and to the Neighborhood Common Property appurtenant to and passing with the title of such Parcels as shall be equivalent to the right, license, privilege and easements of the Members of the Association in and to the Common Property as such rights are specifically set forth in Article IV of this Master Declaration.

The Association (as to Neighborhood Common Property owned by it) shall have the same powers, duties and rights as to the said Neighborhood Common Property as are granted to the Association as to Common Property, and the Declarant shall have the same rights, powers and duties as to all Neighborhood Common Property, as are set forth in Sections 2, 3, 5 and 6 of Article IV of this Master Declaration, and the rights and easements granted to Owners of lands in any Additional Property containing Neighborhood Common Property in and to such property shall be subject to those said rights, powers and duties.

Section 3. Neighborhood Association. If desired by the Declarant in order to provide for the eventual ownership, maintenance and operation of any Neighborhood Common Property and improvements thereon, or in order to provide for the independent management, maintenance and operation of lands and improvements declared to be subject to the jurisdiction of such Neighborhood Association, the Declarant may cause one or more Neighborhood Associations to be created with some or all of the same rights and powers with respect to the Neighborhood Common Property and the Neighborhoods within their jurisdiction (including, without limitation, the right and power to levy assessments) as are provided to the Association as to Common Property and any Neighborhood Common Property owned by it. Such Neighborhood Association may be created by any Supplemental Declaration for the affected Neighborhood, and requirements of membership therein and the obligations of the Members thereof shall be set forth in the Supplemental Declaration and in the Articles and By-laws of the Neighborhood Association, and the assessment to be levied by the Neighborhood Association shall be in addition to the assessments levied by the Association. The Declarant or Master Association may withdraw from the Neighborhood Association any rights and powers granted to it by the Association or Declarant.

ARTICLE VI

INSURANCE AND CASUALTY LOSSES

The Association's Board of Directors shall have the authority but not the duty to obtain insurance for insurable improvements on the Common Property and any Neighborhood Common Property owned by it, against loss or damage by fire or other hazards, including extended coverage, vandalism and malicious mischief, and to obtain public liability policies covering the Association, Declarant and/or its designee, and its Members for damage or injury caused by the negligence of the Association, Declarant and/or its designee, or any of its Members or agents, and, if reasonably obtainable, directors' and officers' liability insurance, and to obtain any and all other types of insurance coverage with respect to such risks or persons

as shall be deemed necessary or appropriate by the Board of Directors. Any insurance obtained shall include such coverage, contain such deductible provisions and be in such limits as shall be determined by the Board of Directors. The Association shall also have the discretion to self-insure against any risk. Premiums for insurance shall be a Common Expense if for the benefit of the Association, its officers or directors, the entire membership as a group, or relate to the Common Property. Premiums for insurance shall be the Neighborhood Common Expense of the Owners within any Neighborhood if for the primary benefit of that Neighborhood, the Owners of lands located therein, or any Neighborhood Common Property located therein.

ARTICLE VII

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation on Assessments.

a. Each Owner by acceptance of a deed to any Parcel included in The Properties, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to and hereby does covenant and agree to pay to the Association: (1) annual assessments or charges, (2) special assessments, and (3) individual assessments. Said assessments shall be fixed, established and assessed to the Owners as hereinafter provided. The assessments together with interest thereon, late charges, lien charges and costs of collection thereof, including court costs and reasonable attorneys' fees (including fees and costs upon appeal), shall be a charge and a continuing lien upon the Parcel against which each such assessment is made from the date on which each such assessment is due. Each such assessment, together with interest, late charges, lien charges, costs and attorneys' fees, as herein provided, shall also be the personal obligation of the person who was the Owner of such Parcel at the time when the assessment fell due.

b. Exempt Property. The following property now or hereafter subject to this Master Declaration shall be exempt from the assessments, charges and liens created herein:

1. All Common Property and Neighborhood Common Property; and
2. Any Property owned by Declarant which has been subject to this Master Declaration for less than two (2) years.

Except as set forth in this subsection, no land or improvements in The Properties shall be exempt from assessments, charges or liens. No Owner may avoid the obligation for the payment of assessments by virtue of non-use or abandonment of the Common Property or any Neighborhood Common Properties.

Section 2. Purpose of Assessments. The assessments levied by the Association may be used for the purpose of promoting the recreation, health, safety, and welfare of the lands and Owners in The Properties, for the performance by the Association of its duties and the exercise of the powers conferred upon it, for the improvement and maintenance of properties, services and facilities which have been or will be constructed, installed or furnished upon, and which are devoted to the purpose and related to the use and enjoyment of, the Common Property, Neighborhood Common Property, and for such other purposes as may be deemed desirable or appropriate from time to time by the Board of Directors, including but not limited to:

- a. Payment of operating expenses of the Association, and;
- b. Lighting, improvement and beautification of access ways and easement areas (whether dedicated to the public or private), and the acquisition, maintenance, repair and replacement of

project identification signs, directional markers and traffic control devices, entry features, and the costs of controlling and regulating traffic on the access ways if not maintained by a public body; and

c. To pay all real and personal property taxes and assessments (if any) separately levied upon or assessed against the Association, the Common Property or Neighborhood Common Property. Such taxes and assessments may be contested or compromised by the Association. It is the intent of this Master Declaration that, inasmuch as the interest of each Owner to use and enjoy the Common Property and any Neighborhood Common Property constitutes an interest in real property on a proportionate basis appurtenant to each benefitted Parcel, the value of the interest of each Owner in such property shall be included in the assessed value of each Parcel and any taxes levied directly against such community property should be of a nominal nature; and

d. Management, maintenance, improvement and beautification of landscaping and stormwater drainage and retention features on Common Property and Neighborhood Common Property; and

e. Repayment of deficits previously incurred by the Association, if any, in making capital improvements to or upon the Common Property, Neighborhood Common Property, and in furnishing services to or for the Members of the Association; and

f. Repair and maintenance of all streets and roadways situated upon the Common Property or Neighborhood Common Property which have not been dedicated to any governmental unit; and

g. Funding of appropriate reserves for future repair and replacement; and

h. Doing any other thing necessary or desirable in the judgment of said Association to keep The Properties, the Common Property and Neighborhood Common Property neat and attractive or to preserve or enhance the value thereof, or to eliminate fire, health or safety hazards, or which, in the judgment of the said Association, may be of benefit to the Owners or occupants of The Properties.

Section 3. Determination of Assessments.

a. **Operating Budget.** It shall be the duty of the Board, by majority vote, at least forty-five (45) days prior to the end of the Association's fiscal year, to prepare and approve a budget covering the estimated costs of operating the Association and Neighborhood Association during the coming year, including but not limited to operational items such as overhead and indirect costs, insurance, utilities, taxes, repairs, reserves, maintenance and other operating expenses, as well as charges to cover any deficits from prior years, and such capital improvements budget items as approved by the Board pursuant to Subsection (b) below.

b. **Capital Budget.** The Board of Directors shall annually prepare a capital budget which shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board shall set the required annual capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the capital budget, with respect to both amount and timing. The annual capital contribution required shall be fixed by the Board and included within the annual operating budget and assessments. A copy of the capital budget shall be distributed to each Member as an Appendix to the operating budget. Additionally, new capital improvements in the budget shall be approved not by the Board of Directors, but by a majority of the Owners or Members by separate written ballot.

c. Adoption of Budget. The Board shall cause a copy of the budget and the projected assessments to be levied for the following year, broken down according to type of Parcel and, if necessary, according to Neighborhood, to be delivered to each Member at least forty-five (45) days prior to the end of the Association's fiscal year. The budget and the assessments shall become effective unless and until disapproved at a special meeting of the Members held on or before thirty (30) days after the proposed budget and assessments are mailed to the Members, by a vote of two-thirds (2/3) of the membership of the Association. In the event that the membership so disapproves the proposed budget for the succeeding year, or in the event the Board shall fail to propose a budget, then and until such time as a new, acceptable budget shall have been determined, the budget in effect for the preceding year shall continue for the succeeding year.

d. Allocation of Assessments Among Parcels. Those portions of the operating budget reflecting Neighborhood Common Expenses shall be assessed only against those Owners and Parcels in the Neighborhood as to which Neighborhood Common Expenses are to be incurred by the Association, such assessment being the same for each similar type of Parcel or improvements in the affected Neighborhood. The balance of the Operating Budget of the Association shall be assessed against all non-exempt Owners and non-exempt Parcels in The Properties in proportions based upon an equal pro rata assessment against each Residential Unit, with variations according to Residential Unit type being permitted but not in any way required.

Section 4. Special Assessments.

a. Special Assessments. In addition to the annual assessments established pursuant to Section 3 hereof, the Board of Directors of the Association may levy at any time a special assessment for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement upon the Common Property or Neighborhood Common Property, including the necessary fixtures and personal property related thereto, for the purpose of covering any insufficiency of assessments to fund the actual monetary needs of the Association over and above the budgeted annual assessments, or for any other use or purpose deemed desirable or appropriate by the Board of Directors; provided, however, that any such special assessment shall have the approval of a majority of the votes of the Members (without regard to class) who are in attendance and voting in person or by proxy at a meeting duly called for said purpose. Special assessments to be paid only by the Owners in a particular affected Neighborhood shall require only the approval of a majority of those Owners (without regard to class) within the affected Neighborhood who are in attendance in person or by proxy and voting at a meeting duly called for that purpose. The Board of Directors shall determine the date when such special assessment is to be paid.

b. Individual Assessment. The Association may levy an individual assessment upon any Owner to cover the costs incurred by the Association due to that Owner's failure to maintain its Parcel pursuant to the standards set forth in this Master Declaration, or to reimburse the Association for any damage to any Common Property or Neighborhood Common Property caused by any Owner or its lessee or invitee, or for any other purpose permitted by this Master Declaration or any Supplemental Declaration.

Section 5. Date of Commencement of Assessments; Initial Annual Assessment; Due Dates. The annual assessments provided for herein as to the Phase One Property shall commence on the first day of the first full calendar month following the recordation of this Master Declaration. The annual assessment for each Additional Property shall commence upon the first day of the first full calendar month after the recordation of the applicable Supplemental Declaration.

The initial annual assessment for the Phase One Property shall be Two Hundred and 00/100 Dollars (\$200.00) per Residential Unit (prorated for calendar year in which this Master Declaration is recorded). The first annual assessment for each Residential Unit shall be due and payable at the time any

Residential Unit is first occupied or at the closing of the first sale of any Residential Unit subsequent to issuance of a certificate of occupancy for each such Residential Unit, whichever first occurs.

Annual assessments shall be due, in advance, on or before the commencement of the year for which imposed; provided, however, the Board of Directors shall have the discretion to collect assessments in instalments over the year for which imposed at such payment intervals as it shall determine. In the event of such deferred payments, the Board shall also be permitted to charge a uniform rate of interest upon the amounts from time to time remaining unpaid at any rate deemed appropriate by the Board; provided, however, such rate shall not exceed the statutory usury limit then existing. The Board may accelerate the unpaid balance of any assessment upon default in the payment of any installment thereon.

The amount of the annual assessment to be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereof as the remaining number of months in that year bears to twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any Additional Property annexed at a time other than at the beginning of an assessment period.

Section 6. Neighborhood Assessments. As part of the assessments levied by the Association pursuant to Sections 3 and 4 hereof, each affected Owner shall pay Neighborhood Assessments imposed for any applicable Neighborhood Common Expense. The Neighborhood Assessments levied by the Association shall be collectible as part of, in the same manner, and on the same terms as the annual assessment. In the event a separate Neighborhood Association levies an assessment, it may be collected by the Association and transferred to a separate account for the benefit of the Neighborhood Association within ninety (90) day of receipt by the Association.

Section 7. Certificate of Payment. Upon request, the Association shall furnish to any Owner liable for assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence in favor of third parties of payment of any assessment therein stated to have been paid. The Board of Directors may establish a reasonable fee to reimburse the cost of issuance of said certificate.

Section 8. Effect of Non-Payment of Assessment. If any assessment is not paid on the date when due, then such assessment shall become delinquent and the delinquent assessment, together with interest thereon and/or late charges as shall be imposed by the Board at its discretion, and the cost of collection thereof, as herein provided, shall be secured by a continuing lien on the lands and improvements located thereon with respect to the ownership of which the assessment accrued which shall bind such lands and improvements in the hands of the then Owner, its heirs, successors, personal representatives and assigns. Such lien shall be prior to all other liens hereinafter created except taxes or assessments levied by governmental authority, and except as to the lien of any mortgage as hereinafter provided in Section 9. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them, but no such assumption shall relieve any Owner personally obligated hereby for delinquent assessments from such Owner's personal liability therefor.

If the assessment or installment thereon is not paid within thirty (30) days after the due date, same shall bear interest from the date due at the highest rate allowed by Florida law or at such lesser rate as may be determined by the Board and uniformly applied, and the Association may bring an action at law for collection against the Owner personally obligated to pay the same and/or to foreclose the lien against the lands and improvements, and there shall be added to the amount of such assessment the aforesaid interest, late charges, if any, costs of collection and court costs, and reasonable attorneys' fees, including court costs and attorney's fees upon appeal, and the said costs of collection shall be recoverable whether or not suit be brought. Costs of collection shall include not only costs of a legal action or legal

representation, but shall include costs incurred by the Association for collection. Each letter written for delinquent assessments shall be reimbursed at the same rate as a Certificate of Payment.

If it becomes necessary for the Association to file a claim of lien against any Parcel, a lien fee in an amount set by the Board of Directors may be charged by the Association. Such lien fee shall be added to the unpaid assessment and same shall be secured by the lien hereby created.

Section 9. Subordination of the Lien to Certain Mortgages. The lien of the assessments provided for by this Master Declaration shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon any Parcel in The Properties and held by a commercial or savings bank, savings and loan association, trust company, credit union, industrial loan association, insurance company, pension fund, or business trust, including but not limited to a real estate investment trust, any other lender regularly engaged in financing the purchase, construction, or improvement of real estate, or any assignee of loans made by such lender, or any private or governmental institution or agency which has insured the loan of any such lender, or any combination of any of the foregoing entities, or any of same constituting an institutional mortgage; provided, however, that a sale or transfer of any Parcel pursuant to a decree of foreclosure, or pursuant to any proceeding in lieu of foreclosure, shall not relieve such Parcel from liability for any assessments which thereafter become due, nor from the lien of any subsequent assessment. Said assessment liens, however, shall be subordinate to the lien of any such mortgage or mortgages hereafter placed upon the properties subject to assessment, and no mortgagee shall be responsible for the collection of assessments from an Owner.

Section 10. Adjustment or Abatement of Assessments to Reflect Varying Levels of Services. The Board of Directors is authorized to enter into agreements with or to grant concessions to any Owner, group of Owners, any Neighborhood Association, any condominium or similar association, or any Owner of lands lying within the Development Plan, whereby said second party may perform as to the affected lands or any right-of-way in or adjacent thereto, any one or more of the functions, duties or prerogatives of the Association and to receive in exchange therefor a reduction or moratorium on any assessments or any other obligations to the Association which otherwise would be payable by said second party and same shall not be considered as discrimination among the Owners. Furthermore, in determining assessments payable by the Owners, the Board of Directors may in its discretion allocate among the Owners affected or benefitted the varying cost components of the budget to reflect varying levels of services to different Owners; for example but not by way of limitation, the Board may elect to allocate on an exclusive basis the costs of street lighting within any Neighborhood to the Owners within that Neighborhood, or the Board may elect to reduce the assessments for any Neighborhood containing minimal Common Property to be maintained by the Association.

ARTICLE VIII

ARCHITECTURAL CONTROL

Section 1. Architectural Control; ARB. All lands and improvements in The Properties are subject to architectural and environmental review. This review shall be in accordance with this Article and Fletcher's Mill's Planning, Construction and Development Criteria described below. No sitework, landscaping, utilities extensions, drainage improvements, paving, parking areas, building, fence, wall or any other physical or structural improvement, or change or alteration to the exterior of any existing structures or improvements, or to any existing landscaping, shall be commenced, erected or maintained until the plans and specifications showing the nature, size, workmanship, design, signs, shape, finished grade elevation, height, materials and color of the same, together with a detailed landscape plan and a plot plan showing the location relative to boundaries and adjacent improvements of such proposed improvements or changes, shall have been submitted to and approved in writing by the Architectural Review Board (the "ARB") as

to consistency with the Development Plan and Fletcher's Mill's Planning, Construction and Development Criteria ("the Planning Criteria"), harmony of exterior design and materials, location in relation to surrounding structures, and drainage features and topography. The above approvals also shall apply to remodeling, re-painting, re-roofing and re-landscaping.

No Dwelling of one story with less than 1400 square feet, or if two stories, with less than 1000 square feet on the first floor will be approved for Hickory Ridge. No Dwelling of one story with less than 1800 square feet, or if two stories, with less than 1000 square feet on the first floor will be approved for Magnolia Court.

The ARB shall promulgate and revise from time to time the Planning Criteria for The Properties. The Planning Criteria shall be set forth in writing and made available to all builders doing business in The Properties, and to all Members and prospective Members of the Association. Each applicant for approval shall have the burden to know and comply with the appropriate criteria. The Planning Criteria may include any and all matters considered appropriate by the ARB not inconsistent with the provisions of this Master Declaration, including without limitation minimum square footage requirements for Residential Units, landscaping, fence design and residential recreational improvements. Different Planning Criteria may be adopted and enforced for improvements in different portions of The Properties.

So long as the Declarant owns any lands subject to this Master Declaration or any Supplemental Declaration, the Declarant shall be entitled to appoint all members of the ARB. Thereafter, the membership of the ARB shall be determined by the Board of Directors of the Association. The ARB shall consist of no less than three (3) members, none of whom shall be required to be owners or occupants of the Properties. The Declarant may at any time assign in writing its powers of removal or appointment to any entity or person, subject to such terms and conditions as the Declarant may choose to impose. Nothing herein contained shall be deemed to limit the right of an Owner to finish or alter the interior of that Owner's improvements as that Owner deems appropriate or desirable, subject to provisions of other Articles of this Master Declaration. The concurrence of a majority of the members of the ARB shall be required for any decision of the ARB.

The conclusion and opinion of the ARB shall be binding. If in its opinion, for any reason, including purely aesthetic reasons, the ARB should determine that any proposed improvement, alteration, etc. is not consistent with the Planning Criteria of the Development Plan, such alteration or improvement shall not be made.

The ARB, in its sole discretion, may delegate (retaining the right to withdraw) to a separate committee by Neighborhood or groups of Neighborhoods some or all of the powers and duties of the ARB contained herein. The general intent is to permit delegation after a Neighborhood has all or substantially all of the units constructed in the Neighborhood.

Section 2. Approval or Disapproval. Approval of the plans and specifications may be withheld not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Master Declaration, but also by virtue of the reasonable dissatisfaction of the ARB with the location of the structure on the lot, the elevation, the color scheme, the finish, design, proportions, architecture, drainage plan, shape, height, style and appropriateness of the proposed structures or altered structures, the materials used therein, the planting, landscaping, size, height or location of vegetation on the property, fences, enclosures, mail boxes, or because of its reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the ARB, will render the proposed item of improvement inharmonious or out of keeping with the general Development Plan or the Planning Criteria. Two (2) sets of plans, specifications and plot plans (collectively the "plans") shall be submitted to the ARB by the Owner prior to applying for a building permit. The Owner shall obtain a written receipt for the plans from an authorized agent of the ARB. Plans and re-submittals thereof shall be approved or disapproved within

thirty (30) days after receipt by the ARB. Failure of the ARB to respond in writing to a submittal or resubmittal of plans within such period shall be deemed to be an approval of the plans as submitted or resubmitted. The ARB approval or disapproval, as required by this Master Declaration, shall be in writing and shall accompany one (1) copy of the plans to be returned to the Owner. Whenever the ARB disapproves plans and specifications, the disapproval shall be accompanied by a written outline of the reason or reasons for such disapproval. The remaining copy shall become the property of the ARB.

Section 3. Violations; Waiver. The work approved must be performed strictly in accordance with the plans as submitted and approved. If after such plans have been approved, the improvements are altered, erected, or maintained upon the property otherwise than as approved by the ARB, such alteration, erection and maintenance shall be deemed to have been undertaken without the approval of the ARB having been obtained as required by this Master Declaration. After the expiration of one (1) year from the date of completion of any improvement, addition or alteration, said improvement shall, in favor of purchasers and encumbrances in good faith and for value be deemed to comply with all of the provisions hereof, unless a notice of such noncompliance authorized by the ARB and executed by the chairperson of the ARB shall appear of record in the office of the Clerk of the Circuit Court of Alachua County, Florida, or legal proceedings shall have been instituted to enforce compliance with these provisions. Upon approval of the ARB, it shall be conclusively presumed that the location and exterior configuration of any building, structure or other improvement placed or constructed in accordance with the approved plans does not violate the provisions of this Master Declaration. The approval of the ARB of any plans submitted for approval as herein specified shall not be deemed to be a waiver by the ARB of its rights to object to any of the features or elements embodied in such plans if or when the same features or elements are embodied in any subsequent plans submitted, nor shall its approval be deemed approval of any plan or design from the standpoint of structural safety or conformance with building or other codes.

Section 4. Variances. The ARB may authorize variances from compliance from any of the architectural provisions of this Master Declaration or the Planning Criteria, including without limitation restrictions upon height, size or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, existing or environmental considerations may require. Such variances must be evidenced in writing and must be signed by at least two (2) members of the ARB and shall be effective upon delivery to the Owner. If such variances are granted, no violation of this Master Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Master Declaration or the Planning Criteria for any purposes except as to the particular Parcel and the particular provision covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the use of the Owner's Parcel, including but not limited to zoning ordinances and setback requirements imposed by the appropriate governmental authority.

Section 5. Waiver of Liability. Neither the Declarant, the ARB, any member of the ARB, or the Association, or any of their representatives shall be liable in damages to anyone submitting plans for approval or to any Owner or occupant of The Properties by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval of any plans, or the failure to approve any plans. Every person who submits plans for approval agrees, by submission of such plan, and every Owner or occupant of any Parcel agrees, by acquiring title thereto or an interest therein, that it will not bring any action, proceeding or suit to recover any such damage. Approval of any building plans, specifications, site or landscape plans or elevations, or any other approvals or consents pursuant hereto or otherwise, is given solely to protect the aesthetics of The Properties; and shall not be deemed a warranty, representation or covenant that such buildings, improvements, landscaping or other action taken pursuant thereto or in reliance thereof comply with, or are not in violation of any applicable laws, codes, rules or regulations.

The Declarant, the ARB, the Association or any agent thereof, shall not be responsible in any way for any defects in any plan or specifications submitted, revised or approved in accordance with the requirements of the ARB, or for any structural or other defect in any work done according to such plans and specifications.

This Article may not be amended without the Declarant's written approval so long as the Declarant owns any Parcel.

Section 6. Enforcement of Planning Criteria. The Declarant or the Board of Directors shall have the standing and authority on behalf of the Association to enforce in courts of competent jurisdiction the Planning Criteria and the decisions of the ARB. Should the Declarant or the Association be required to enforce the provisions hereof by legal action, the reasonable attorneys' fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' fees and costs incurred on appeal from judicial proceedings, shall be collectible from the violating Owner. Should any Owner fail to comply with the requirements hereof after thirty (30) days' written notice, the Declarant and the Association shall have the right to enter upon the Owner's property, make such corrections or modifications as are necessary, or remove anything in violation of the provisions hereof or the Planning Criteria, and charge the cost thereof to the Owner. The Declarant and the Association, or their agents or employees, shall not be liable to the Owner or to any occupant or invitee of any Parcel for any trespass or damages or injury to the property or person unless caused by gross negligence or intentional wrongdoing.

Section 7. Term of Approval. Approval by the ARB shall be effective for a period of one (1) year from the date the approval is given, or one (1) year from the expiration of the thirty (30) day period specified in Section 2 hereof where approval is not expressly granted or denied. If construction has not commenced within the said one (1) year period, the approval shall have expired and no construction shall thereafter commence without written renewal of such prior approval.

ARTICLE IX

EXTERIOR MAINTENANCE

Section 1. Owner's Responsibility, Default. It shall be the affirmative duty of each Owner at all times to keep and maintain the improvements, landscaping and stormwater drainage and retention improvements located on and serving to drain only its Parcel in good and presentable condition and repair consistent with the approved plans and specifications therefor. The Association shall have the right to provide exterior maintenance upon any Parcel and improvements thereon in The Properties in the event of default by any Owner in that Owner's duties hereby imposed; subject, however, to the following provisions. Prior to performing any maintenance on an Owner's property, the Board of Directors of the Association, or a committee appointed by the Board of Directors, shall determine that same is in need of repair or maintenance and is detracting from the overall appearance of The Properties. Except in the event of an emergency, prior to commencement of any maintenance work, the Board of Directors must furnish fifteen (15) days' prior written notice to the Owner at the last address listed in the Association's records for said Owner notifying the Owner that unless certain specified repairs or maintenance are commenced within said fifteen (15) day period and thereafter diligently pursued to completion, the Association may procure said repairs and charge same to the Owner. Upon the failure of the Owner to act within said period of time and to thereafter diligently pursue repairs or maintenance, the Association shall have the right to enter in or upon any Parcel and the exterior of any improvements located thereon, or to hire personnel to do so, to make such necessary repairs, or maintenance as is specified in the written notice. In this connection, the Association shall have the right to do such things as, but limited to, paint, repair, replace and care for roofs, gutters, downspouts and exterior building surfaces, clean or resurface paved access ways and parking areas, trim and care for trees, shrubs, grass, walks, swales, berms and

other landscaping and drainage improvements, as well as to provide general cleanup, and removal of debris which in the opinion of the Association detracts from the overall beauty and setting of The Properties. The Declarant and the Association, or their agents or employees, shall not be liable to the Owner for any trespass or damages or injury to the property or person of the Owner or the occupants or invitees of the affected parcel or improvements thereon unless caused by gross negligence or intentional wrongdoing.

Section 2. Assessment of Cost. The cost of the repair or maintenance referred to in Section 1 shall be assessed as an individual assessment against the Owner of the Parcel or improvements upon which such maintenance is done. Said individual assessment shall be secured by a lien upon the affected Parcel and improvements and shall also constitute a personal obligation of the Owner. The individual assessment shall be collectible along with interest at the highest rate allowed by law from date of expenditure to date of payment by the Owner, and costs of collection and attorneys' fees, in the same manner as delinquent annual assessments.

Section 3. Access at Reasonable Hours. For the purpose of performing the repairs or maintenance authorized by this Article, the Association, through its duly authorized agents, contractors or employees, shall have the right to enter upon any Parcel and the exterior of any improvements thereon during reasonable hours on any day except Sundays and holidays, except that in an emergency situation, as determined by the Board, entry may be made on any day and at any hour.

Section 4. Association Maintenance Responsibility. The Association shall maintain and keep in good repair the Common Property or Neighborhood Common Property (if made subject to the control of the Association), and all improvements thereon. Said maintenance obligation shall be deemed to include but not be limited to maintenance, repair and replacement, subject to the insurance and casualty loss provisions contained herein, of all utility lines, pipes, wires, glass, conduits, structures, systems, trees, fences, shrubs, grass, streets, parking spaces, walks, and other improvements situated upon the said Common Property or Neighborhood Common Property. It shall also be the affirmative duty of the Association to maintain as a Common Expense all stormwater drainage and retention improvements and features located in The Properties, the Common Property, and Neighborhood Common Property and comprising part of the master stormwater drainage plan for Fletcher's Mill. The Association shall comply with any obligations imposed by the permit(s) issued by the Suwannee River Water Management District and the operation and maintenance plan attached thereto, or by any permit or authorization from any unit of local, regional, state, or federal government with regards to maintaining, repairing, replacing, operating and caring for real and personal property, including but without limitation to all lakes, ditches, canals, retention or detention areas, drainage, other surfacewater management works, and preservation or conservation areas, wetlands, and wetland mitigation areas which are owned by the Association. All maintenance of each Parcel in The Properties and all parts of any structure thereon, unless specifically identified as being the responsibility of the Association or any Neighborhood Association, shall be the responsibility of the Owner of such Parcel.

ARTICLE X

RESTRICTIVE COVENANTS

The Properties shall be subject to the following restrictions, reservations and conditions which shall be binding upon each and every Owner and its heirs, personal representatives, tenants, invitees, successors, and assigns, as follows:

Section 1. Water and Sewage Facilities. No individual water supply system or individual sewage disposal system shall be permitted on any Parcel. This section does not restrict the right of any Owner

to install, operate and maintain a water well for use only for air conditioning/heating, and irrigation purposes.

Section 2. Landscaping. Landscaping on each Parcel and stormwater drainage and retention features located on and serving only that Parcel shall be continuously maintained in good, aesthetically pleasing condition by the Owner thereof. The Owner of each Parcel abutting a body of water shall maintain the shoreline of said Parcel free of debris and weeds consistent with applicable environmental regulations. Landscaping as approved by the ARB shall be installed within thirty (30) days of occupancy or completion of any buildings (as evidenced by a certificate of occupancy or its equivalent), whichever occurs first.

Section 3. Obnoxious or Offensive Activity. No obnoxious or offensive activity shall be allowed upon The Properties, nor shall any use or practice be allowed which is a source of annoyance, embarrassment or discomfort to Owners or their tenants or invitees, or which interferes with the peaceful possession and proper use and enjoyment of The Properties, nor shall any improper, unsightly, offensive or unlawful use be made of any Parcel or any improvements thereon or of the Common Property or Neighborhood Common Property, nor any part thereof, and all laws, zoning ordinances, and regulation of all governmental bodies having jurisdiction shall be observed.

The use, enjoyment and occupancy of The Properties shall be in such a manner so as not to cause or produce any of the following effects discernible outside buildings located thereon or affect the adjoining property or any portion or portions thereof; noise or sound that is objectionable because of its volume, duration, intermittent beat, frequency or shrillness; smoke, dust, dirt or fly ash; unusual fire or explosive hazards; or vibration.

Section 4. Rules and Regulations. Rules and regulations promulgated by the Board of Directors of the Association as to the use and enjoyment of The Properties shall be observed by the Owners and occupants thereof. Such rules and regulations may involve such matters as multi-family structures, air conditioning units, signs, mailboxes, temporary structures, noisy mufflers or other nuisances, garbage and trash disposal, clotheslines, parking, vehicle traffic and the state of repair of vehicles, tree removal, gutters, pets, game and play structures, swimming pools, television antennas, driveways, walkways, sight distance at intersections, garages, and fences. These matters are set out by way of illustration only and shall not be construed to limit the authority of the Board of Directors to promulgate and enforce rules and regulations. Such rules and regulations may augment or clarify the terms of this Master Declaration or any provision, covenant or restriction herein contained. Copies of such rules and regulations shall be made available to each Owner prior to the time same become effective. Each Neighborhood Association may establish additional rules and regulations applicable to the areas under its control provided they are not in contradiction of the Association Rules and Regulations.

Section 5. Animals. Birds, fish, dogs and cats may be kept as pets only, and shall not be held or offered for sale or maintained or bred for any commercial use. All dogs and cats must be leashed or fenced when outside and shall not be permitted to run loose. No other animals, fowl, reptiles or livestock shall be kept or maintained in The Properties. No animal, etc., shall be permitted to remain if it disturbs the tranquility of The Properties or the Owners or tenants thereof. Each owner shall be responsible for maintaining any area used by his/her pet.

Section 6. Garbage and Trash. No trash, garbage or other waste material or refuse shall be placed or stored on any part of The Properties except in covered or sealed sanitary containers. All such sanitary containers must be stored within each building, buried underground, or placed within an enclosure or concealed by means of a screening wall of material similar to and compatible with that of the building approved by the Architectural Review Board. Section 18. Utility Service. No "service lines" shall be constructed, placed or maintained anywhere in or upon The Properties unless the same shall be contained in conduits or cables constructed, placed and maintained underground or concealed in, under or on buildings or other approved improvements; provided electrical transformers may be permitted if properly screened and approved by the ARB. ARTICLE XIII

AMENDMENT

Except as to provisions relating to amendments set forth herein regarding certain specific items and the method of amending or altering same, any other provisions, covenants, or restrictions set forth herein may be amended in accordance with this provision. The holders of at least two-thirds (2/3) of the votes in the Association, without regard to class, may change or amend any provision hereof (1) by executing a written instrument in recordable form setting forth such amendment; or (2) by causing a certified copy of a duly adopted resolution of the Owners to be prepared, and having the same duly recorded in the Public Records of Alachua County, Florida, provided that no amendment shall be inconsistent with the requirements of any governmental body having jurisdiction of The Properties, including the permit regulations imposed by the Suwannee River Water Management District; and any amendments which directly or indirectly impact operation and maintenance of the surface water management system shall require the approval of the Suwannee River Water Management District. Any such amendments shall not become effective until the instrument evidencing such amendment has been filed of record. Every purchaser or subsequent grantee of any interest in the subdivision, by acceptance of a deed or other conveyance, therefore, thereby agrees that the restrictions may be amended as provided herein. No such amendment requiring FHA or VA approval shall be effective until same is approved by FHA or VA. A proposed amendment may be initiated by the Declarant, the Association, or by petition signed by fifteen percent (15%) of the Owners. If a proposed amendment is to be adopted by vote, a written copy of the proposed amendment shall be furnished to each Owner at least thirty (30) days but not more than ninety (90) days prior to the meeting to discuss the proposed amendment. If adopted by vote, the affirmative vote required for adoption shall be two thirds (2/3) of the votes of the Owners, without regard to class. So long as the Declarant shall own any lands which are subject to potential annexation, no Declarant related amendment shall be made to this Master Declaration, any Supplemental Declaration, or to the Articles or Bylaws of the Association unless such amendment is first approved in writing by the Declarant. Any amendment shall be deemed to be Declarant related if it does any of the following:

- a. Directly or indirectly by its provisions or in practical application relates to the Declarant in a manner different from the manner in which it relates to other Owners.

ARTICLE XIV

PARTY WALLS OR PARTY FENCES

Section 1. General Rules of Law to Apply. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply to each party wall or party fence which is built as part of the original construction and any replacement of improvements in The Properties.

In the event that any portion of any structure, as originally constructed, including any party wall or fence, shall protrude over an adjoining Common Property, Neighborhood Common Property, or Parcel, such structure, party wall or fence shall not be deemed to be an encroachment upon the adjoining lands, and the affected Owner shall neither maintain any action for the removal of the party wall or fence or projection, nor for damages. In the event there is a protrusion, it shall be deemed that the affected Owner has granted a perpetual non-exclusive easement to the adjoining Owner for continuing maintenance and use of the projection, party wall or fence. The foregoing shall also apply to any replacements of any structures, party walls or fences if same are construed in conformity with the original structure, party wall or fence.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall or party fence shall be shared equally by the Owners who make use of the wall or fence in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall or party fence is destroyed or damaged by fire or other casualty, any Owner who has used the wall or fence must restore it, and if other Owners thereafter make use of the wall or fence, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provisions of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs with Land. The rights of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Arbitration. If all parties agree, in the event of any dispute arising concerning a party wall or party fence, or under the provisions of this Article, each party shall choose one arbitrator and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators. The decision of the arbitrators shall be binding and conclusive upon the parties and any party to the dispute shall not thereafter have the right to institute any action or proceeding, at law or equity.

ARTICLE XV

COVENANTS COMMITTEE

Section 1. Committee. The Board of Directors shall appoint a Covenants Committee consisting of at least three (3) and no more than seven (7) members. Nothing herein shall prohibit a Member from serving on both the ARB and the Covenants Committee. Acting in accordance with the provisions of this Master Declaration, the Bylaws, and any resolutions the Board may adopt, the Covenants Committee shall be the hearing tribunal of the Association relative to alleged infractions of the covenants, rules and regulations of the Association.

Section 2. Hearing Procedure. The Board shall not impose a fine, suspend voting, or infringe upon any other rights of a Member or other occupant for violations of rules and regulations unless and until the following procedure is followed:

a. **Demand.** Written demand to cease and desist from an alleged violation shall be served upon the alleged violator specifying:

- (i) the alleged violation;
- (ii) the action required to abate the violation; and

(iii) a time period which, except in emergency situations which shall include but not be limited to noise pollution, shall be not less than ten (10) days, during which the violation may be abated without further sanction, if such violation is a continuing one, or a statement that any further violation of the same rule may result in the imposition of a sanction after notice and hearing if the violation is not continuing.

b. **Notice.** At any time within twelve (12) months of such demand, if the violation continues past the period allowed in the demand for abatement without penalty, or if the same rule is subsequently violated, the Board or its delegate shall serve the violator with written notice of a hearing to be held by the Covenants Committee in executive session. The notice shall contain:

- (i) the nature of the alleged violation;
- (ii) the time and place of the hearing, which time shall not be less than ten (1) days from the giving of the notice;
- (iii) an invitation to attend the hearing and produce any statement, evidence, and witness on his behalf; and
- (iv) the proposed sanction to be imposed.

c. **Hearing.** The hearing shall be held in executive session pursuant to this notice affording the Member a reasonable opportunity to be heard. Prior to the effectiveness of any sanction

hereunder, proof of notice, and the invitation to be heard shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed.

d. Appeal. Following a hearing before the Covenants Committee, the violator shall have the right to appeal the decision to the Board of Directors. To perfect this right a written notice must be received by the manager, President, or Secretary of the Association within ten (10) days after the hearing date.

e. Fines. The Covenants Committee may impose special assessments against Parcel owned by the Owner as follows:

- (i) First non-compliance or violation: a fine not in excess of One Hundred Dollars (\$100.00).
- (ii) Second non-compliance or violation: a fine not in excess of Five Hundred Dollars (\$500.00).
- (iii) Third and subsequent non-compliance or violation or violations which are of a continuing nature: a fine not in excess of One Thousand Dollars (\$1,000.00).

Fines shall be paid not later than thirty (30) days after notice of the imposition or assessment of the penalties. Fines shall be treated as an assessment subject to the provisions for the collection of assessments. All monies received from fines shall be allocated as directed by the Board of Directors. These fines shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled.

ARTICLE XVI

DURATION AND TERMINATION

The covenants and restrictions of this Master Declaration and of each Supplemental Declaration incorporating Additional Properties shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, the Association and any Owner of any land subject to this or any Supplemental Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this Master Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years. This Master Declaration and any Supplemental Declaration may be terminated at any time by recordation of an instrument signed by the then holders of eighty percent (80%) of the votes in the Association and all mortgagees agreeing to terminate said covenants and restrictions.

ARTICLE XVII

ENFORCEMENT

Section 1. Remedies. If any person or entity shall violate or attempt to violate any of these covenants or restrictions, it shall be lawful for the Declarant, any Owner or the Association (a) to prosecute

proceedings for the recovery of damages against those so violating or attempting to violate any such covenant or restriction, or (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate any such covenant or restriction, for the purpose of preventing, or enjoining all or any such violations or attempted violations. The remedies contained in this provisions shall be construed as cumulative of all other remedies now or hereafter provided by law or this Master Declaration. The failure of the Declarant, its successors or assigns, or the Association or an Owner, to enforce any covenant or restriction or any obligation, right, power, privilege, authority or reservation herein contained, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation thereof occurring prior to or subsequent thereto. Should the Declarant, an Owner or the Association be required to enforce the provisions of any of these covenants or restrictions by legal action, the reasonable attorneys' fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' fees and costs incurred on appeal from judicial proceedings, shall be collectible from the violating Owner.

Section 2. Severability. The invalidation of any provision or provisions of the covenants and restrictions set forth herein by judgment or court order shall not affect or modify any of the other provisions of said covenants and restrictions which shall remain in full force and effect.

Section 3. Notices. Any notice required to be sent to any Owner or Member shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing.

Section 4. Lessees to Comply with Declaration, Articles and Bylaws - Effect on Non-Compliance. All tenants shall be subject to the terms and conditions of this Master Declaration, the Bylaws, the Articles of Incorporation, and the rules and regulations promulgated thereunder as though such tenant were an Owner.

Each Owner agrees to cause his lessee, occupant, or persons living with such Owner or with his lessee to comply with the Master Declaration, Bylaws, Articles and the rules and regulations promulgated thereunder, and is responsible and liable for all violations and losses caused by such tenants or occupants notwithstanding the fact that such occupants of the Parcel are also fully liable for any violation of the documents and regulations.

In the event that a lessee, occupant, or person living with the lessee violates a provision of the Master Declaration, Bylaws, Articles or rules and regulations adopted pursuant thereto, the Board shall have the power to bring an action or suit against the lessee to recover sums due for damages or injunctive relief, or for any other remedy available at law or equity.

DEFINITIONS

The following words shall have the definitions set forth below for purposes of these Articles:

3.1 "Additional Property" shall mean and refer to those real properties, together with any improvements thereon, other than the Phase One Property, which are made subject to the Master Declaration under the provisions of Article II hereof.

3.2 "Association" shall mean and refer to Fletcher's Mill Association, Inc., a Florida corporation not for profit, or its successors and assigns.

3.3 "Common Expenses" shall mean and refer to the actual and estimated expenses of operating the Association and meeting the costs incurred or to be incurred relative to the performance of the duties of the Association, including without limitation, the costs incurred for operation, maintenance and improvement of any Common Property, and including any reserves established by the Association, all as may be found to be necessary and appropriate by the Board of Directors of the Association pursuant to the Master Declaration, the By-Laws, and the Articles of Incorporation of the Association.

3.4 "Common Property" shall mean and refer to all real property and any improvements located thereon, and all personal property, from time to time intended to be devoted to the

use and enjoyment of all Members of the Association and maintained by the Association at Common Expense. "Common Property" includes, without limitation, any platted parcel which is part of The Properties and which is designated on the plat for ownership and maintenance by the Association.

3.5 "The Declarant" shall mean and refer to George E. Fletcher, and his successors and assigns. No successor or assignee of the Declarant shall have any rights or obligations of the Declarant hereunder unless such rights and obligations are specifically set forth in the instrument of succession or assignment, or unless such rights pass by operation of law.

3.6 "Development Plan" shall mean and refer to the **NON-BINDING, GENERAL SCHEME OF INTENDED USES OF THE LANDS** included in Fletcher's Mill Master Development Plan, as approved by the Board of County Commissioners of Alachua County, as amended from time to time, and further described in Section 4, Article II of the Master Declaration and illustrated by Exhibit "B".

3.7 "Master Declaration" shall mean and refer to Fletcher's Mill Master Declaration of Covenants, Conditions and Restrictions executed on June 8, 1993, and recorded in the Public Records of Alachua County, Florida and as amended from time to time.

3.8 "Member" shall mean and refer to each Owner who is a Member of the Association as provided in Article III, Section 2 hereof, and also, as to each Neighborhood Association, to each Owner which may also be a member of said Neighborhood Association created pursuant to the terms of any Supplemental Declaration.

3.9 "Owner" shall mean and refer to the record holder, whether one or more persons or entities, of fee simple title to each Parcel included in The Properties (other than the Association); but, notwithstanding any applicable theory of law of mortgages, Owner shall not mean or refer to any mortgagee unless and until such mortgagee has acquired title pursuant to foreclosure proceeding or a conveyance in lieu of foreclosure. Every Owner shall be treated for all purposes as a single Owner for each Parcel owned by it, irrespective of whether such ownership is joint, in common or tenancy by the entirety. In the event any life estate is created with respect to any Parcel in The Properties, the Owner of the life estate shall be deemed to be the Owner for purposes of this definition for so long as the life estate shall exist.

3.10 "Parcel" shall mean and refer to each Residential Unit from time to time subject to the terms of the Master Declaration.

3.11 "Party Wall" shall mean and refer to the entire wall, from front to rear, all or a portion of which is used for support, situate or intended to be situate on the boundary line between adjoining, separately-owned improvements.

"Residential Unit" shall include in its meaning any interest in real property appurtenant to the ownership of the Residential Unit.

3.15 "Supplemental Declaration" shall mean and refer to any declaration of covenants and restrictions executed by the Declarant, and by the owner of the affected lands if same are not owned by Declarant, which extends the provisions of the Master Declaration to Additional Property.

3.16 "Neighborhood" shall mean and refer to each separate residential area comprised of distinct types and/or densities of Residential Units, and specifically designated by the Master Declaration or any Supplemental Declaration as having separate Neighborhood status. In the absence of a specific designation of separate Neighborhood status, all property made subject to the Master Declaration shall be considered as part of the same Neighborhood. The Declarant may designate in any Supplemental Declaration annexing property that such property constitutes a separate Neighborhood or Neighborhoods or that it is being added to a then-existing Neighborhood.

3.17 "Neighborhood Assessments" shall mean and refer to assessments from time to time levied by the Association or any Neighborhood Association for Neighborhood Common Expenses when authorized by the Master Declaration, any Supplemental Declaration, or by the Board of Directors of the Association or of any Neighborhood Association. Neighborhood Assessments may be levied only against the Owners of Parcels in the Neighborhood for which the particular Neighborhood Common Expense is to be incurred. Neighborhood Assessments shall be levied uniformly, except as set forth below, in the affected Neighborhood according to each type of Residential Unit. The size of a unit may be considered a reasonable basis to discriminate between assessments levied on various units within a neighborhood.

3.18 "Neighborhood Association" shall mean and refer to any association or similar entity of limited jurisdiction established pursuant to Section 3 of Article V of the Master Declaration in connection with the development of any Neighborhood for the purpose of owning, operating or maintaining Neighborhood Common Property or attending to affairs and levying assessments unique to such Neighborhood and the Residential Units located therein. Said Neighborhood Associations shall each maintain the Neighborhood Common Property to the same standards as Association Common Property.

3.19 "Neighborhood Board of Directors" shall mean and refer to a Board of Directors initially appointed by the Declarant and thereafter by the unit owners of a Neighborhood and given such duties and powers within a specified Neighborhood as shall be imposed and conferred upon it by any Supplemental Declaration, including without limitation the duty to levy the Neighborhood Assessments to be paid by the Owners in the affected Neighborhood for Neighborhood Common Expense. The composition of the Neighborhood Board of Directors and manner and terms of appointment shall be as specified in the relevant Supplemental Declaration. Each Neighborhood Board of Directors shall at all times be subject to the paramount authority of the Association Board of Directors, but this provision shall not be construed to give said Association the right or duty in any Neighborhood which is a condominium the responsibility for operation of a condominium project.

3.20 "Neighborhood Common Expense" shall mean and refer to costs incurred by the Association or any Neighborhood Association for services rendered or expenses incurred which are not of general benefit but rather primarily for the benefit of and intended to be borne by the Owners of Parcels within a particular Neighborhood. Expenses incurred for the operation, maintenance and improvement of Neighborhood Common Property shall be Neighborhood Common Expenses and reimbursed to the relevant association through Neighborhood Assessments.

3.21 "Neighborhood Common Property" shall mean and refer to those lands and any improvements thereon which may be designated as Neighborhood Common Property on the recorded plat of any Additional Property or in any Supplemental Declaration, which said lands or facilities are intended to be devoted exclusively to the use and enjoyment of the Owners of parcels located within a particular Neighborhood. The costs of operation, maintenance and improvements of Neighborhood Common Property shall be borne solely by the Owners entitled to the use and enjoyment thereof. Neighborhood Common

Property may be conveyed by the Declarant to the Association or to any Neighborhood Association for the purpose of operation, management, maintenance and improvement.

PURPOSE AND POWERS OF THE ASSOCIATION

The Association shall not pay dividends and no part of any income of the Association shall be distributed to its Members, directors or officers. The Association is formed to provide for, among other things, the improvement, maintenance, preservation and architectural control of The Properties and to promote the recreation, health, safety and welfare of the Owners. The Association shall have all the powers of a nonprofit corporation organized under the laws of the State of Florida, subject only to such limitations upon the exercise of such powers as are expressly set forth in these Articles, the Bylaws, or the Master Declaration. The Association shall have the power and duty to do any and all lawful things which may be authorized, assigned, required or permitted to be done by the Master Declaration, and Supplemental Declarations, these Articles and the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the maintenance, administration and improvement of The Properties, Common Property and Neighborhood Common Property within its jurisdiction. Unless otherwise specifically prohibited, any and all functions, duties and powers of the Association shall be fully transferable, in whole or in part, to any Neighborhood Association, developer, management agent, governmental unit, public body, or similar entity. Any instrument effecting such a transfer shall specify the duration thereof and the means of revocation.

ARTICLE VII

MEMBERSHIP

Each Owner, including the Declarant, shall be a Member of the Association. Any person or entity who holds any interest merely as a security for the performance of any obligation shall not be a Member. The Association membership of each Owner shall be appurtenant to the Parcel giving rise to such membership, and shall not be transferred except upon the transfer of title to said Parcel and then only to the transferee of title thereto. Any prohibited separate transfer shall be void. Any transfer of title shall operate automatically to transfer the membership in the Association appurtenant thereto to the new Owner thereof.

ARTICLE VIII

VOTING RIGHTS

8.1 **Voting Rights.** The Association shall have two (2) classes of voting membership:

a. **Class "A".** Class "A" Members shall be all Owners of Residential Units, with the exception of the Declarant. Class "A" Members shall be entitled on all issues to one (1) vote for each Residential Unit in which they hold the interest required for membership.

b. **Class "B".** The Class "B" Members shall be the Declarant and any successor of the Declarant who takes title to and to whom Declarant assigns in writing one or more of the Class "B" votes. Upon the execution of the Master Declaration, the Class "B" Members shall be entitled to 3 votes for each Residential Unit owned by a Class "B" Member, or an aggregate of 168 votes based upon 56 permitted Residential Units. Thereafter, the number of Class "B" votes shall be reduced by one (1) vote for each Class "A" vote from time to time existing in the Association. No parcel shall be entitled to votes until such time as it is annexed by Supplemental Declaration, and at such time it shall be entitled to Class "B" votes in the same manner as provided herein. The Class "B" membership shall terminate and become converted to Class "A" membership upon the happening of the earlier of the following:

(i) When the total outstanding Class "A" votes in the Association equal the total outstanding Class "B" votes; or

(ii) Four (4) years from the date of recording the Master Declaration, or four (4) years from the date of the last annexation of property, whichever shall occur last.

(iii) When, in its discretion, the Declarant so determines.

From and after the happening of any one of these events, the Declarant shall call a meeting as provided in the Bylaws for special meetings to advise the Association membership of the termination of Class "B" status.

The Class "B" Members shall cast on all issues their votes as they among themselves determine. It shall be permitted for the Declarant to retain and to cast all Class "B" votes.

8.2 **The Declarant Veto Power.**

From and after the termination of the Class "B" membership the Declarant shall have a veto power over all actions of the Association and the Board of Directors of the Association. This power shall expire when the Class "A", other than those held by the Declarant, equals ninety percent (90%) of the total membership vote (regardless of class distinction) of the Association, or four (4) years after submission of any Property subject to this Declaration, whichever occurs first.

No action authorized by the Association or the Board of Directors shall become effective, nor shall any action, policy or program be implemented, until and unless:

a. The Declarant shall have been given written notice of each meeting of the Members and of the Board of Directors by certified mail, return receipt requested or by personal delivery, at the address it has registered from time to time with the Secretary of the Association, which notice otherwise complies with the terms of the Bylaws as to regular and special meetings of the Members and

Board of Directors, and which notice shall set forth with reasonable particularity the agenda to be followed at said meeting; and

b. The Declarant shall have been given the opportunity at each such meeting, if Declarant so desires, to join in, or to have its representatives or agents join in, discussion of any prospective action, policy, or program to be implemented by the Board or the Association. The Declarant and its representatives or agents may make its concerns and suggestions known to the Members of the Association or of the Board. At such meeting the Declarant shall have, and is hereby granted, a veto power over any such action, policy or program authorized by the Board of Directors, the Association officers, or Association membership, and to be taken by said Board, the officers or agents of the Association, or any individual Member of the Association (if Association or Board approval is necessary for said Member's action). Except as set forth in subsection (c) below, the Declarant veto must be exercised by the Declarant, its representatives, or agents at or before the meeting to consider proposed action. The veto power shall not include the authority to require any affirmative action on behalf of the Board or the Association; and

c. If any action, policy or program is to be implemented by prior consent without the formality of a meeting, then the Declarant shall be provided a written notice and description of the proposed action, policy or program at least ten (10) days in advance of such implementation, and the Declarant shall have ten (10) day after receipt of such notice to exercise its veto.

8.3 Multiple Owners. Each vote in the Association must be cast as a single vote, and fractional votes shall not be allowed. In the event that joint or multiple Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Owner or Owners cast a vote on behalf of a particular Parcel, it shall thereafter be conclusively presumed for all purposes that he/she was, or they were, acting with the authority and consent of all other Owners thereof. In the event more than the appropriate number of votes are cast for a particular Parcel, none of said votes shall be counted and said votes shall be deemed void.

ARTICLE IX

BOARD OF DIRECTORS

The affairs of the Association shall be managed by a Board of not less than three (3), nor more than nine (9) directors who need not be Members. The initial Board shall be comprised of three (3) persons. Anything in these Articles to the contrary notwithstanding, until such time as the Declarant has conveyed to purchasers not affiliated with the Declarant all lands which are subject to potential annexation pursuant to Article II, Section 2, of the Master Declaration, or at such earlier date as may be selected by the Declarant, the Declarant shall be entitled to designate the Board of Directors of the Association. The names and addresses of persons who are to act in the capacity of director until appointment or election of their successors pursuant to these Articles are:

Gloria W. Fletcher	5715 NW 57th Way, Gainesville, FL 32606
Robert Hartley	3705 N.W. 128th Terr. Gainesville, FL 32606

Once the Declarant relinquishes its right to appoint the Board of Directors, the Members shall elect the directors for staggered terms of three (3) years each. To create the staggered terms, one post shall become vacant in one (1) year and a successor director shall be elected. The second post shall be deemed vacant at the end of the second year, and a successor director shall be elected. The third post shall be deemed vacant at the end of the third year, and a successor director shall be elected. All successor directors shall serve for terms of three (3) years each. In the event that the number of people comprising the Board of Directors is changed, such change in number shall be implemented in such a manner as to have as nearly equal in number as possible the number of directors whose terms expire in any given year.

ARTICLE X

OFFICERS

The affairs of the Association shall be administered by the officers designated in the Bylaws. The officers shall be elected by the Board of Directors at the first meeting, and they shall serve at the pleasure of the Board of Directors. 11.1 Every director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon him in connection with any proceeding whether civil, criminal, administrative or investigative, or any settlement of any proceeding, or any appeal from such proceeding to which he may be a party or in which he may become involved by reason of his being or having been a director or officer of the Association, or having served at the Association's request as a director or officer of any other corporation, whether or not he is a director or officer at the time such expenses are incurred, regardless of by whom the proceeding was brought, except in relation to matters as to which any such director or officer shall be adjudged liable for gross negligence or willful misconduct, provided that in the event of a settlement, the indemnification shall apply only when the Board of Directors of the Association approves such settlement and reimbursement as being for the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer may be entitled.

11.2 Expenses incurred in defending a suit or proceeding whether civil, criminal, administrative or investigative may be paid by the Association in advance of the final disposition of such action, suit or proceeding if authorized by all of the non-interested directors upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not to be indemnified by the Association as authorized by these articles of Incorporation.

11.3 The Association shall have the power to purchase at its expense and maintain insurance on behalf of any person who is or was a director or officer of the Association, or is or was serving at the request of the Association as a director or officer of another association, against any liability asserted

against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of these Articles.

ARTICLE XII

BYLAWS

The Bylaws of the Association shall be adopted by the Board of Directors and may be altered, amended or rescinded in the manner provided by the Bylaws.

ARTICLE XIII

Additional Property may be added from time to time to The Properties in accordance with the Master Declaration. When made, the additions shall extend the jurisdiction, functions, duties and membership of the Association to such Additional Property as may be contemplated by the Master Declaration.

The Association and each Member must accept as Members the Owners of all Parcels where the instrument hereafter annexing Additional Property to the jurisdiction of the Association provides that the Owners of the Parcels located therein are intended to be Members of the Association and that the Association is intended to have jurisdiction over them.

ARTICLE XIV

AMENDMENTS

Amendments to these Articles of Incorporation shall be made in the following manner:

No amendment requiring FHA or VA approval shall become effective until such approval is obtained.

14.4 Multiple Amendments. Any number of amendments may be submitted to the Members and voted upon by them at one meeting.

14.7 **Limitations.** No amendment shall make any changes in the qualifications for Members nor the voting rights of Members without approval in writing by all Members. No amendment shall be made that is in conflict with the Master Declaration. So long as the Declarant shall own any lands within the Development Plan which are subject to potential annexation, no Declarant related amendment shall be made to the Master Declaration, any Supplemental Declaration, or to the Articles or Bylaws of the Association unless such amendment is first approved in writing by the Declarant. Any amendment shall be deemed to be Declarant related if it does any of the following:

- a. Directly or indirectly by its provisions or in practical application relates to the Declarant in a manner different from the manner in which it relates to other Owners;

BYLAWS
of
FLETCHER'S MILL ASSOCIATION, INC.,

The Bylaws of Fletcher's Mill Association, Inc. are hereby amended as follows:

4. Members' Meetings.

4.1 Annual Members' Meetings. The annual Members' meeting shall be held in January of each year for the purpose of appointing directors and of transacting any other business authorized to be transacted by the members. Each year, the Board of Directors shall determine the annual date, time and meeting location most convenient to the Members of the Association.

4.4 Quorum. A quorum at Members' meetings shall consist of one-quarter (1/4) of all votes in the Association, whether represented in person or by proxy. If a quorum is present, the affirmative vote of a majority of votes represented at a meeting and entitled to vote on the subject matter shall constitute the acts of the Members, except when approval by a greater number of Members is required by the Master Declaration, these Bylaws or the Articles. When a specified item of business is required to be voted upon by a particular class of Members, a majority of the votes of such class of Members shall constitute a quorum for the transaction of such item of business by that class. After a quorum has been established at a Members' meeting, the subsequent withdrawal of Members so as to reduce the number of votes at the meeting below the number required for a quorum shall not affect the validity of any action taken at the meeting or any adjournment thereof.

BYLAWS
of
FLETCHER'S MILL ASSOCIATION, INC.,
a Non-Profit Corporation

1. Definitions. When used in these Bylaws, the terms defined in Article III of the Articles of Incorporation of Fletcher's Mill Association, Inc. ("the Articles") shall have the same meanings as in the Articles.

2. Identity. These are the Bylaws of Fletcher's Mill Association, Inc., a corporation not for profit organized pursuant to Chapter 617, Florida Statutes (the "Association").

2.1 Office. The office of the Association shall be located at 5715 N.W. 57th Way, Gainesville, Florida 32608, or at such other place as may be designated from time to time by the Board of Directors.

2.2 Fiscal Year. The fiscal year of the Association shall be the calendar year.

2.3 Seal. The seal of the Association shall bear the name of the corporation, the word "Florida", the words "Corporation not for profit", and the year of incorporation.

3. Members.

3.1 Qualification. The Members of the Association shall consist of every Owner, including the Declarant, and in the case of multiple Owners, every group of record owners, of Lots or Dwelling Units in the Properties. The foregoing is not intended to include persons or entities who hold an interest merely as security for performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of the Lot or Dwelling Unit. Multiple Owners shall be subject to the provisions of the Master Declaration relative to "Multiple Owners."

3.2 Change of Membership. Change of membership in the Association shall be established by recording in the Public Records of Alachua County, Florida, a deed or other instrument establishing record title to a Lot or Dwelling Unit under the jurisdiction of the Association. The Owner designated as grantee by such instrument thus becomes a Member of the Association and the membership of the prior Owner is terminated. The new Owner shall notify the Association of such property transfer and furnish the Association a copy of the recorded deed, the new Owner's address, and the Owner's local agent, if any, in the event the Owner is located outside the State of Florida. Any notice requirements set out in these Bylaws and in the Articles shall be deemed to be complied with if notice to an Owner is directed to the address of said Owner as then reflected in the Association's records.

3.3 Voting Rights. Voting rights of each Member of the Association shall be as set forth in the Master Declaration and the Articles, and the manner of exercising such voting rights shall be as set forth in these Bylaws.

3.4 Designation of Voting Representative. If a Lot or Dwelling Unit is owned by one person or entity, its rights to vote shall be established by the record title to the Lot or Dwelling Unit. If a Lot or Dwelling Unit is owned by more than one person or entity, the person entitled to cast the votes for the Lot or Dwelling Unit shall be designated by a certificate signed by all of the record Owners of the

Lot or Dwelling Unit and filed with the Secretary of the Association. If an Lot or Dwelling Unit is owned by a general or limited partnership, the person entitled to cast the votes for the Lot or Dwelling Unit shall be designated by a certificate of appointment signed by one of the general partners and filed with the Secretary of the Association. If a Lot or Dwelling Unit is owned by a corporation, the person entitled to cast the votes for the Lot or Dwelling Unit shall be designated by a certificate of appointment signed by the President or Vice President of the corporation and filed with the Secretary of the Association. If a Lot or Dwelling Unit is owned in trust, the person entitled to vote for the Lot or Dwelling Unit shall be designated by a certificate of appointment signed by the trustee of record for the trust and filed with the Secretary of the Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Lot or Dwelling Unit concerned. A certificate designating the person entitled to cast the votes of a Lot or Dwelling Unit may be revoked in writing by any Owner thereof. Provided, however, that no Lot or Dwelling Unit shall vote in excess of the voting rights allocated to that Lot or Dwelling Unit pursuant to the Master Declaration.

3.5 Approval or Disapproval of Matters. Whenever the decision of an Owner is required upon any matter, whether or not the subject of an Association meeting, such decision shall be expressed by the same person who would cast the votes of such Owner if at an Association meeting; unless the joinder of record Owners is specifically required by the Master Declaration, the Articles, or by these Bylaws.

3.6 Restraint Upon Assignment of Shares in Assets. The share of a Member in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to that Owner's Lot or Dwelling Unit.

4. Members' Meetings.

4.1 Annual Members' Meetings. The annual Members' meeting shall be held at the office of the Association at 6:00 p.m. on the second Sunday of January of each year for the purpose of appointing directors and of transacting any other business authorized to be transacted by the members; provided, however, if that day is a legal or religious holiday, the meeting shall be held at the same hour on the next day which is not a legal or religious holiday. Provided, the Board of Directors shall have the discretion to hold the annual meeting at any other time during the month of January which they may deem to be more convenient to the Members of the Association.

4.2 Special Members' Meetings. Special meetings of the Members may be called by any one of the following persons or groups:

- (a) The Board of Directors, or
- (b) The holders of not less than one-fourth (1/4) of all of the votes entitled to be voted at the meeting.

4.3 Notice of All Meetings of Members. Written notice stating the place, day, and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called shall be delivered to each Member entitled to vote at such meeting not less than ten (10) or more than sixty (60) days before the date of the meeting, either personally or by first-class mail, by or at the direction of the President, the Secretary, or the officer or persons calling the meeting.

4.4 Quorum. A quorum at Members' meetings shall consist of a majority of all votes in the Association, whether represented in person or by proxy. If a quorum is present, the affirmative vote of a majority of votes represented at a meeting and entitled to vote on the subject matter shall constitute the acts of the Members, except when approval by a greater number of Members is required by the

Master Declaration, these Bylaws or the Articles. When a specified item of business is required to be voted upon by a particular class of Members, a majority of the votes of such class of Members shall constitute a quorum for the transaction of such item of business by that class. After a quorum has been established at a Members' meeting, the subsequent withdrawal of Members so as to reduce the number of votes at the meeting below the number required for a quorum shall not affect the validity of any action taken at the meeting or any adjournment thereof.

4.5 Proxies. Every Member entitled to vote at a meeting of members or to express consent or dissent without a meeting, or his duly authorized attorney-in-fact, may authorize another person or persons to act for him by proxy. Every proxy must be signed by the Member or his attorney-in-fact. No proxy shall be valid after the expiration of eleven (11) months from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the member executing it and shall expire upon the transfer of title to the Lot or Dwelling Unit giving rise to the voting rights to which the proxy pertains. The authority of the holder of a proxy to act shall not be revoked by the incompetence or death of the Member who executed the proxy unless, before the authority is exercised, written notice of an adjudication of such incompetence or of such death is received by the Association officer responsible for maintaining the list of Members.

4.6 Adjourned Meetings. When a meeting is adjourned to another time or place, it shall not be necessary to give any notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken, and any business may be transacted at the adjourned meeting that might have been transacted on the original date of the meeting. If, however, after the adjournment the Board fixes a new record date for the adjourned meeting, a notice of the adjourned meeting shall be given in compliance with these Bylaws to each Member on the new record date entitled to vote at such meeting.

4.7 Order of Business. The order of business at annual Members' meetings, and as far as practical at all other Members' meetings, shall be:

- a. Calling of the roll and certifying of proxies.
- b. Proof of notice of meeting or waiver of notice.
- c. Reading and disposal of any unapproved minutes.
- d. Reports of officers.
- e. Reports of Committees.
- f. Appointment of directors.
- g. Appointment of Nominating Committee.
- h. Unfinished business.
- i. New business.
- j. Adjournment.

4.8 Minutes of Meetings. The Association shall maintain minutes of each meeting of the membership and of the Board of Directors in a businesslike manner. The minutes shall be kept in a

book available for inspection by members or their authorized representatives at any reasonable time. The Association shall retain these minutes for a period of not less than three (3) years.

5. Board of Directors.

5.1 Number. The affairs of the Association shall be managed by a Board of not less than three (3) nor more than five (5) directors. The initial Board shall be comprised of three (3) directors. The number of directors may be increased from time to time by amendment to the Articles to a maximum of nine (9) directors. In the event that the number of directors is changed, such change in number shall be implemented in such a manner as to have as nearly equal in number as possible the number of directors whose terms expire in any given year. Anything in these Bylaws to the contrary notwithstanding, until such time as Declarant has conveyed to purchasers all lands subject to the Master Declaration, or at such earlier date as may be selected by the Declarant, the Declarant shall be entitled to designate the Board of Directors of the Association.

5.2 Term of Office. Once the Declarant has relinquished the power to designate the Board of Directors, the Members shall elect the directors for staggered terms of two (2) years each, as provided in the Articles. Each director shall hold office for the term for which he is elected and until his successor shall have been elected and qualified or until his earlier resignation, removal from office or death.

5.3 Removal. Except for the Declarant-appointed directors who may only be removed by the Declarant, any director may be removed from the Board, with or without cause, by a majority vote of the Members of each class. In the event of the death, resignation or removal of a director, his successor shall be selected by the remaining directors and shall serve for the unexpired term of his predecessor, except in the case of a Declarant-appointed Director, in which case Declarant shall appoint the successor.

5.4 Directors' Fees. Directors shall serve without compensation or fees; provided, however, nothing herein shall be deemed to prevent reimbursement of out-of-pocket expenses approved by the Board and incurred on behalf of the Association.

5.5 Election. Except for Declarant-appointed directors, election to the Board of Directors shall be by written ballot as hereinafter provided. At such election, the Members or their proxies may cast, in respect of each vacancy, as many votes as they are entitled to exercise under the provisions of the Articles. The names receiving the largest number of votes (without regard to class) for each vacancy shall be elected.

5.6 Nominations. Nominations for election to the Board of Directors shall be made by a Nominating Committee which shall be one of the standing committees of the Association.

5.7 Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a director, and two or more Members of the Association. The Nominating Committee shall be appointed by the Board of Directors prior to each annual meeting of the Members to serve from the close of such annual meeting until the close of the next annual meeting and such appointment shall be announced at each annual meeting.

5.8 Duties of Nominating Committee. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Such nominations may be made from among Members or officers, directors or agents of the Declarant, as the Committee in its discretion shall determine. Separate nominations shall be made for each vacancy to be filled. Nominations shall be placed on a written ballot as provided in Section 5.9 and shall be made in advance of the time fixed in Section 5.9 for the mailing of such ballots to Members.

5.9 Ballots. All elections to the Board of Directors shall be made on written ballot which shall (a) describe the vacancies to be filled; (b) set forth the names of those nominated by the Nominating Committee for each such vacancy; and (c) contain a space for a write-in vote by the Members for each vacancy. Such ballots shall be prepared and mailed by the Secretary to the Members at least fourteen (14) days in advance of the date set forth therein for a return (which shall be a date not later than the day before the meeting at which the vote is to be taken).

5.10 Number of Ballots. Each Member shall receive as many ballots as it has votes. Notwithstanding that a Member may be entitled to several votes, it shall exercise on any one ballot only one vote for each vacancy shown thereon. The completed ballots shall be returned as follows: Each ballot shall be placed in a sealed envelope marked "Ballot" but not marked in any other way. Each such "Ballot" envelope shall contain only one ballot, and the Members shall be advised that, because of the verification procedures of Section 5.11, the inclusion of more than one ballot in any one "Ballot" envelope shall disqualify the return. Such "Ballot" envelope, or envelopes (if the Member or his proxy is exercising more than one vote), shall be placed in another sealed envelope which shall bear on its face the name and signature of the Member or his proxy, the number of ballots being returned, and such other information as the Board of Directors may determine will serve to establish his right to cast the vote or votes presented in the "Ballot" or "Ballots" contained therein. The ballots shall be returned to the Secretary at the address of the Association.

5.11 Election Committee; Counting of Ballots. Upon receipt of each return, the Secretary shall immediately place it in a safe or other locked place until the day set for the meeting at which the elections are to be held. On that day, the unopened external envelopes containing the "Ballot" envelopes shall be turned over to an Election Committee which shall consist of three (3) Members appointed by the Board of Directors. The Election Committee shall then:

- a. Establish that external envelopes were not previously opened or tampered with in any way; and
- b. Open the external envelopes to establish that the number of envelopes therein marked "Ballot" corresponds to the number of votes allowed to the Member or his proxy identified on the external envelope; and
- c. Confirm that the signature of the Member or his proxy on the outside envelope appears genuine; and
- d. If the vote is by proxy, determine that a proxy has been filed with the Secretary.

Such procedure shall be taken in such manner that the vote of any Member or his proxy shall not be disclosed to anyone, even the Election Committee.

The opened external envelopes shall thereupon be placed in a safe or other locked place and the Election Committee shall proceed to the opening of the "Ballot" envelopes and the counting of the votes. If any "Ballot" envelope is found to contain more than one ballot, all such ballots shall be disqualified and shall not be counted. Ballots shall be retained for such period of time after the election as shall be deemed prudent by the Board of Directors.

6. Meetings of Directors.

6.1 Regular Meetings. Regular meetings of the Board of Directors shall be held at least quarterly without notice at such place and hour as may be fixed from time to time by resolution of

the Board. If the day for such regular meeting is a legal holiday, then the meeting shall be held at the same time on the next day that is not a legal holiday. Notice of such regular meeting is hereby dispensed with. Regular meetings of the Board of Directors shall be open to the Members.

6.2 Special Meetings. Special meetings of the Directors may be called by the Chairman of the Board, by the President of the Association, or by any two (2) directors. No less than two (2) days' notice of the special meeting shall be given to each director personally or by first class mail, telegram, or cablegram, which notice shall state the time, place and purpose of the meeting.

6.3 Action Taken Without a Meeting. The transaction of any business at any meeting of the Board of Directors, however called and noticed, or wherever held, shall be as valid as though made at a meeting duly held after regular call and notice if a quorum is present and, if either before or after the meeting, each of the directors not present signs a written waiver of notice, or a consent to the holdings of such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the Associations' records and made a part of the minutes of the meeting. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

6.4 Defects in Notice, etc. Waived by Attendance. Attendance of a director at a meeting shall constitute a waiver of notice of such meeting and a waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, except when a director states, at the beginning of the meeting, any objection to the transaction of business because the meeting is not lawfully called or convened. Directors may participate in a meeting of such Board by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation by such means shall constitute presence in persons at a meeting.

6.5 Quorum. A quorum at directors' meeting shall consist of a majority of all votes of the entire Board of Directors. The acts approved by a majority of those votes represented at a meeting at which a quorum is present shall constitute the act of the Board of Directors, except where approval by a greater number of directors is required by the Master Declaration, a Supplemental Declaration, the Articles, or these Bylaws.

6.6 Adjourned Meetings. A majority of the directors present whether or not a quorum exists, may adjourn any meeting of the Board of Directors to another time and place. Notice of any such adjourned meeting shall be given to the directors who were not present at the time of the adjournment and, unless the time and place of the adjourned meeting are announced at the time of the adjournment, to the other directors.

6.7 Action by Directors Without a Meeting. Any action required to be taken at a meeting of the directors or a committee thereof, may be taken without a meeting if a consent in writing setting forth the action so to be taken signed by all of the directors or all the members of the committee, as the case may be, is filed in the minutes of the proceedings of the Board or of the committee. Such consent shall have the same effect as a unanimous vote.

6.8 Presiding Officer. The presiding officer of directors' meetings shall be the President. In the absence of the President, the Vice President shall preside, and in the absence of both, the directors present shall designate one of their number to preside.

6.9 Powers and Duties of Board of Directors. All of the powers and duties of the Association existing under chapter 617, Florida Statutes, the Master Declaration, a Supplemental

Declaration, the Articles, and these Bylaws, shall be exercised by the Board of Directors, subject only to approval by Members when such is specifically required.

7. Officers.

7.1 Officers and Election. The executive officers of the Association shall be a President, who shall be selected from the Board of Directors, a Vice-President, who also shall be selected from the Board of Directors, a Treasurer, and a Secretary, all of whom shall be elected annually by the Board of Directors and who may be peremptorily removed by vote of the directors at any meeting. Any person may hold two or more offices except that the President shall not also be the Secretary. The Board of Directors shall from time to time elect such other officers and designate their powers and duties as the Board shall find necessary or convenient to manage properly the affairs of the Association.

The duties of the Secretary may be fulfilled by a manager employed by the Association.

7.5 Treasurer. The Treasurer shall have custody of all property of the Association, including funds, securities, and evidences of indebtedness. He shall keep the books of the Association in accordance with good accounting practices and provide for collection of assessments; and he shall perform all other duties incident to the office of Treasurer. The Duties of the Treasurer may be fulfilled by a manager employed by the Association.

7.6 Compensation. The compensation, if any, of the officers shall be fixed by the Board of Directors.

8. Books and Records. The books, records and papers of the Association shall at all times, during reasonable business hours, be subject to inspection by any Member. 12.5 Agreement. If all of the directors and all of the Members eligible to vote sign a written statement manifesting their intention that an amendment to these Bylaws be adopted, and the same do not violate the prohibitions of 11.3 relative to the Declarant, then the amendment shall thereby be adopted as though Subsection 11.1 through 11.3 had been satisfied.

12.6 Recording. A copy of each amendment shall be recorded in the Public Records of Alachua County, Florida, as soon as possible after adoption.
